

**RAMONA HIGH SCHOOL
CLASS OF 1970
40-YEAR REUNION**

2011 Alumni Address Book

Ramona High School Class of 1970 2011 Address Book

This is the listing of 714 known and presumed addresses for alumni from the Ramona Class of 1970. Some addresses are confirmed, and they appear in the companion volume of the "Memory Book" provided the evening of the reunion. An alumnus' contact information is included in this listing if the mail-out from the June 2010 40-year reunion announcement was not returned undeliverable, so there's really no guarantee that these addresses and phone numbers are current. As far as birthdays, most of them have not been confirmed, but they're probably close.

Items in blue indicate two alumni share the same addresses and phone numbers... probably because they're married to each other.

If you have corrections or changes to this list (either for you or somebody you know), please send the current information to Steve Zappe (his address is in this list, and it's correct). Thanks!
